KNOWLEDGE CORNER

CONCEPT

The Knowledge Corner is an exhibition space which provides Non-Governmental Organizations (NGOs), Climate Change Initiatives and Civil Society Organizations with an opportunity to create awareness about their activities by advertising promotional materials in the form of flyers, leaflets, pamphlets and posters.

TO REGISTER

Please complete the attached [Registration Form](#) and send to: tmenke@unfccc.int

Important Notice:

- The Exhibition Booths are made available by the organizers of the [LACCW2018](#) and are **FREE of charge**
- The Booths would be offered on a rotational basis. Each exhibitor would have the chance to exhibit materials for 4-hours (morning or afternoon) in one single day.
- Exhibitors are chosen on a **First Come, First Served** basis and are responsible for their own exhibition materials.
- We encourage you to avoid bringing materials that could create unnecessary waste. Each stand will be responsible for the waste it creates.

Selected Exhibitors would be contacted with a time slot.
